

Application No.: 10/766,716  
Response to Advisory Action: January 05, 2006 AND  
the Office Action of September 14, 2005

### REMARKS

The Examiner previously indicated that claims 1-17 are allowed. The remaining claims 18-21 are now canceled. Entry of a clarifying amendment to claim 1 and the specification is requested. It is respectfully submitted that no new matter is being added by entry of these amendments. Thus, it is believed that the application is in condition for allowance.

A two-month extension of time request is also included with this response. The Applicants reserve the right to pursue claims 18-21 in a continuation application. Should the Examiner have any questions or concerns, the undersigned attorney would welcome a phone call.

In the event that a fee required for the filing of this document is missing or insufficient, the undersigned Attorney hereby authorizes the Commissioner to charge payment of any fees associated with this communication or to credit any overpayment to Deposit Account No. 18-0987. If a withdrawal is required from Deposit Account No. 18-0987, the undersigned Attorney respectfully requests that the Commissioner of Patents and Trademarks cite Attorney Docket No. WAY.P.US81 for billing purposes.

Respectfully submitted,

Andrew B. Morton, Reg. No. 37,400
